

Minnesota Broadband Coalition

Everyone in Minnesota will be able to use convenient, affordable world-class broadband networks that enable us to survive and thrive in our communities and across the globe.

Broadband Day on the Hill – March 15, 2017

Please join us for Minnesota's first-ever Broadband Day on the Hill. Your participation is vital. This is your chance to meet directly with legislators, share your stories about the importance of broadband to economic vitality and quality of life – especially in rural areas – and address the need for broadband investments.

We are planning a full day of activities to ensure that you will feel confident and well prepared to meet your representatives, satisfied that your time and energy were well spent, more connected with fellow advocates, and inspired to keep working. The Coalition will help arrange individual visits with your legislators.

Interested?

Please **register in advance** to help us plan for food and help to connect you with your legislators. The registration fee is \$45 per participant, which includes continental breakfast, boxed lunch, and reception refreshments.

Where?

State Office Building
100 Rev Dr Martin Luther King Junior Boulevard.
Room 500 N
Saint Paul, Minnesota 55155
